

Press Release

TSAChoice and its affiliate, ACCESS Home Technologies, announces that Anthony Knight has been hired as the company's Sales Manager. Anthony is 19- year veteran of the communications industry with experience in IP Telephony, Structured Wiring, Home Entertainment and Automation. He returns to TSAChoice where he previously was employed for 11 years in several capacities for the company. He most recently served as the Sales Engineer for a local home entertainment business. Anthony is a native of Buncombe County and currently resides in Fairview.
